SUBMISSION # 15

5/9/13, 27

You got to be kidding Pru if you think Australian men want to do a woman's job. Why the hell would we want to marry if we had to do sissy work at home.

When I married Judy we clearly defined what our roles were. I would bring home the money and she would keep the home fires burning. We also decided not to have children. One reason would be she would have pussy sag and put on weight and another reason was that our life would change having to raise a family. But the most important reason was if we decided to split we won't have to pay child support for the rest of our lives. We also have two separate bank accounts. She can go shopping and spend her money and I can go out with the lads once a week or even take out a call girl when she has the female curse.

We are happily married and have had 16 years of wedded bliss. I have recommended it to my work buddies and many men are following my life style. As far as I am concerned if men have a good and happy life they will be good husbands and make the woman's life more enjoyable. If she wants the house spotless then she should

go for it. If she choose to live in a untidy house then its her choice either way she spends more time in it. As for me I want my den where my computer and radios are and there are no cut flowers or lacey curtains in my cave. I keep it locked as I don't want female hands meddling. When I want peace & quiet I go into my den and close the door.

My wife goes to the beautician and greets me at the door looking a million dollars & smelling of paris.

Her stomach is smooth & firm and her breasts are perky and firm.

For the moment we are quite happy.

I get a warm meal and a warm cuddle and I feel like coming home instead of going to the pub for a cold beer with sweaty guys. Sometimes when she is hot she would meet me at the door naked and wearing only high heels and a pearl necklace.

One day I brought a buddy home without informing her earlier and

my friend & my wife got the shock of their life, but I really enjoyed the look on their faces as I was glad to show off my million dollar baby who is 32.

So dear Pru don't be a prude
If your husband was a real man

you would be a satisfied woman.

Men are the hunters and you women if you want to hold a man should be the good house wife or be like the 50% women who are dumped and the losers who have children who in turn are unproductive citizens who are messed up in life.

In the mean time the M.A.N magazines are telling men not to fall into the marriage trap without a written contract.

NO CHILDREN, MARRIED FOR 5 YEARS BEFORE SIGNING ON FOR ANOTHER TURN, WOMEN SHOULD LOOK AFTER THEIR FIGURES, FOOD SHOULD BE BOUGHT WITH BOTH PARTIES CONCENT, NO FAULSE BOOBS, PUSSIES SHOULD BE KEPT SHAVEN & CLEAN, NO SEX FOR 3 DAYS AFTER MENSTRUATION LAST DAY, WOMAN TO COOK AND KEEP HOUSE IN CLEAN CONDITION, MEN SHOULD BE OVER 40 AND FEMALES 18 & 19. THEN THERE IS A LONG SEX LIFE INSTEAD OF MENAUPALED WOMEN WHERE MEN LOOKS ELSEWHERE FOR YOUNGER PARTNER.

BOTH PARTNERS GO OUT REGULARLY FOR DINNER OR OUTING. MEN TO HAVE A SMALL BREAK WHEN HE COMES HOME. AFTERALL HE HAS TO PUT UP WITH SQUEEKY FEMALES AT WORK AND WHERE EVER HE

GOES AND HE DON'T WANT HIS WIFE YAPPING OFF AS SOON AS HE ARRIVES.

MAN SHOULD BE IN CHARGE OF GARDEN, HOME REPAIRS AND PUTTING OUT THE RUBBISH.

WOMAN HAS TO LOOK PRETTY AND KEEP A WARM MEAL. MUTUAL FRIENDS TO ENTERTAIN AND GO ON OVERSEAS HOLIDAY. THEY SHOULD BE GOOD FRIENDS FIRST. NO SWEARING IN FRONT OF EACH OTHER. SEX ON DEMAND EVEN IF SHE DOESN'T WANT IT OR WE WILL GET IT AT WORK THROUGH WILLING WOMEN. PILL GIVEN BY MAN EVERY DAY TO MAKE SURE. AS WOMEN FORGET WHERE THEIR CAR KEYS ARE. ONCE A WOMAN PUSHES OUT A CHILD SHE IS SEXUALLY RUINED. BOOBS LOOK LIKE COTTAGE BLUE VEINED CHEESE, VAGINA SAGS AND BITS PROTRUDE, STOMACH STRETCHES AND SHE GAINS WEIGHT. THE UGLIEST SIGHT IS A PREGNANT FEMALE, ONLY A WOMAN CAN SAY SHE LOOKS RADIANT. WHEN ALBUM POURS OUT OF HER VAGINA AND HER BOOBS ARE RIPE WITH MILK AND HER BODY CHANGE SHAPE AND SHE GETS PILES AND HIGH BLOOD PRESSURE A MAN LOOKS ELSEWHERE AT A FIRM TALL BLONDE FIRM ARSE.

So dear Pen be thankfull some guys want to even come home.
