

Summary of obligations agreed in Shared Responsibility Agreements to 30 June 2005

This table summarises 67 SRAs completed prior to 30 June 2005, setting out the main commitments of the parties. It is based on the fact sheets produced by the OIPC to publicise SRAs.¹

Community and activity	Government and other party commitments	Community commitments
Northern Territory		
<p>1. Mungkartia SRA</p> <ul style="list-style-type: none"> To build a centre to record the community's language, culture, history and art and to enable the community to publish and distribute books and produce art work. 	<ul style="list-style-type: none"> The Australian Government will fund the centre, and provide materials for the publishing venture. 	<ul style="list-style-type: none"> The community will provide the labour to build the centre. The community will record cultural and historical information. The local school will help with printing and binding books and incorporate local art into its curriculum.
<p>2. Tennant Creek SRA</p> <ul style="list-style-type: none"> To provide short-term accommodation and a program for young people affected by family breakdown. 	<ul style="list-style-type: none"> The Australian Government will fund the purchase of furniture, utilities and food as well as initial salaries for the four youth-support officers. 	<ul style="list-style-type: none"> The community council will provide two houses, a vehicle and related expenses. The community will select four people to undergo youth-support training. Families will work to address issues such as alcohol abuse and family violence.

¹ Please find the summaries at www.indigenous.gov.au/sra.html. SRAs for the Australian Capital Territory, Shepparton, Lockhart River and Hopevale are not included as they do not include community, family or individual obligations (and are not technically SRAs).

<p>3. Tennant Creek (2) SRA</p> <ul style="list-style-type: none"> To improve policing and reduce community members' contact with the criminal justice system. 	<ul style="list-style-type: none"> The Australian Government will fund the establishment of an Elders Council. 	<ul style="list-style-type: none"> Council members will work with the Indigenous and non-Indigenous community, and help with policing, in the justice system, in education and develop other activities that will contribute to community harmony and safety.
<p>4. Hatches Creek SRA</p> <ul style="list-style-type: none"> To reduce dependence on welfare by establishing the infrastructure for a pastoral enterprise. 	<ul style="list-style-type: none"> The Australian Government will fund the building of cattle yards, fences, gates and water troughs to muster cattle. 	<ul style="list-style-type: none"> The community will provide labour to build cattle yards, fences, gates and water troughs and muster the cattle. The community will follow the advice of Indigenous Pastoral Development Officers.
<p>5. Bonya SRA</p> <ul style="list-style-type: none"> To replace a nearby store which is closing with a new community-owned and operated store that will sell only healthy food. 	<ul style="list-style-type: none"> The Australian Government will fund the building of the store. 	<ul style="list-style-type: none"> The community will ensure that any profits from the store are put back into the community. Health clinic staff will advise the store on healthy food choices. The community will participate in health and education programs through the store. Community members have agreed not to seek credit or loans from the store. The community council will ensure that visitors and new residents stick to the community's rules.

<p>6. Emu Point SRA</p> <ul style="list-style-type: none"> To develop a stockyard and market garden, as well as maintaining traditional harvesting of bush tucker. To establish a new child-care facility. 	<ul style="list-style-type: none"> The Australian Government will fund the development of the stockyard and market garden; and the establishment of the child-care facility. 	<ul style="list-style-type: none"> The local land council will provide stock. CDEP participants will learn how to run the stockyard and maintain the garden. Community elders will work with young people to develop stock-handling skills. Families will make sure children go to school.
<p>7. Minjilang SRA</p> <ul style="list-style-type: none"> To replace the community store after a cyclone destroyed it and provide a community meeting place. 	<ul style="list-style-type: none"> The Australian Government and the Arnhemland Progress Association (an Aboriginal-owned company that manages a network of stores in the area) will fund the rebuilding the store. The Australian Government will ensure there are enough CDEP places for the community to be part of the rebuilding. The Australian Government will provide funds for a picnic and meeting area outside the store. 	<ul style="list-style-type: none"> The Arnhemland Progress Association will train and employ community members, with all store profits being returned to the community and provide 'Good Food' staff to advise on healthy food choices. The community will provide labour to help with construction, keep the store free from vandalism, and not pressure staff for store credit.
<p>8. Palmerston Indigenous Village SRA</p> <ul style="list-style-type: none"> To develop a community plan and provide more healthy activities for young people. 	<ul style="list-style-type: none"> The Australian Government will provide funds to: support a community development partnership with the local city council; upgrade a community hall for recreational activities; employ a Community Development Officer; and an Activities Officer; and purchase recreational equipment. 	<ul style="list-style-type: none"> The community will work with the Community Development Officer and the Council to develop a community plan. Community members will provide labour to repair and upgrade the hall.

<p>9. Gapuwiyak SRA</p> <ul style="list-style-type: none"> To improve community governance and provide activities for young people, including engaging them in CDEP. 	<ul style="list-style-type: none"> The Australian Government will fund the construction of a community centre; and the employment of a consultant for six months to work with the community council to help them build their governance capacity and plan for a sustainable CDEP Program. 	<ul style="list-style-type: none"> The community will provide labour. Community members will stop the sale of take-away food to children during school hours. The Community Council will work with the school to organise activities at the community centre for young people.
<p>10. NPY Lands SRA</p> <ul style="list-style-type: none"> To encourage young women in the region to aspire to go to university. 	<ul style="list-style-type: none"> The Australian Government will provide funds for 12 young community women to travel to summer school at the University of Melbourne with a mentor. 	<ul style="list-style-type: none"> When they return, the young women will share their experiences.
<p>11. Alpururulum SRA</p> <ul style="list-style-type: none"> To have a place to hold meetings, health education sessions and training in computers, community radio and the internet. 	<ul style="list-style-type: none"> The Australian Government will provide funds for a community centre with an internet café to provide a place for meetings, health education sessions and training in computers, community radio and the internet. 	<ul style="list-style-type: none"> The community will provide apprentices for the construction of the centre. The community will be responsible for maintenance and operational costs of the centre. The health clinic and school will hold training in the centre. Local Centrelink recipients will help out in the centre.
<p>12. Barrow Ck SRA</p> <ul style="list-style-type: none"> To help two small communities living on their ancestral lands ensure their children attend a school 15 kilometres away, establish an orchard for the communities and have community clean ups. 	<ul style="list-style-type: none"> The Australian Government will fund materials and equipment for community clean-ups; and to plant an orchard. 	<ul style="list-style-type: none"> Parents will develop a roster system to take the children to and from school. They will also ensure their children are properly prepared for the school day, starting with a good breakfast. The school will keep records of students' participation and attendance.

<p>13. Tara SRA</p> <ul style="list-style-type: none"> To ensure children go to school and parents are more involved in their children's education. 	<ul style="list-style-type: none"> The Australian Government will fund basic equipment and CDEP participants to act as drivers to get children to school. 	<ul style="list-style-type: none"> The community will assist in arranging sporting and recreational activities for children. Men in the community will cement the community workshop floor and the verandas of the women's centre. The school will keep records of students' participation and attendance.
<p>14. Wilora SRA</p> <ul style="list-style-type: none"> To raise health standards in the area and give children a better education. 	<ul style="list-style-type: none"> The Australian Government will fund a new community meeting place and provide equipment and materials to set up programs to improve community health and education. 	<ul style="list-style-type: none"> The community will help with, and provide labour for, the construction of the new meeting place. Community volunteers will establish a school lunch program; paint a mural at the school, and clean up the women's centre. The school will keep records of students' participation and attendance.
<p>15. Wadeye SRA</p> <ul style="list-style-type: none"> To provide for the construction of houses to overcome housing shortages and provide opportunities for training and local jobs. 	<ul style="list-style-type: none"> The Australian Government will fund the construction of the houses. 	<ul style="list-style-type: none"> The community will take part in a program to fix existing homes.
<p>16. Kulaluk and Minmarama Park SRA</p> <ul style="list-style-type: none"> To develop a mud-crab business that provides jobs, training and work experience and develops the financial management and entrepreneurial skills of community business leaders. 	<ul style="list-style-type: none"> The Australian Government will help by providing for the upgrade of infrastructure and an existing hatchery, and providing specialist aquaculture support and a project officer. 	<ul style="list-style-type: none"> The communities will develop a profit-share scheme for workers and mentor young job seekers. The communities will employ a consultant to develop a long-term business plan. Community members will participate in community planning process.

Western Australia		
<p>17. Kalumburu SRA (1)</p> <ul style="list-style-type: none"> To support their children at school by setting up a breakfast club and improving their nutrition. 	<ul style="list-style-type: none"> The Australian Government will provide equipment and provide Centrelink staff to help set up a direct debit scheme so that parents can contribute to the cost of the food. 	<ul style="list-style-type: none"> Parents will make sure their children attend the breakfast club and school, contribute to the costs each fortnight, and help run the club on a roster system. The school will provide a home economics room and will monitor school attendance.
<p>18. Kalumburu SRA (2)</p> <ul style="list-style-type: none"> To provide the Community Council with training in mentoring in governance and conflict resolution. 	<ul style="list-style-type: none"> The Australian Government will fund the training and mentoring, as well as wages and housing for a Community Development Officer. 	<ul style="list-style-type: none"> Council members and the community CEO will participate in training.
<p>19. Ngumpan SRA</p> <ul style="list-style-type: none"> To redevelop a basketball court to provide sport and recreational opportunities for young people and to provide a venue for meetings and events. 	<ul style="list-style-type: none"> The Australian Government will fund the redevelopment. 	<ul style="list-style-type: none"> The community will volunteer their time to help with labour. Parents will help organise competitions, coach and referee games, and get their children to participate in sporting activities.
<p>20. Coonana SRA</p> <ul style="list-style-type: none"> To improve the water supply by providing trap yards to help cull feral animals, and provide troughs and fencing to control the movement of animals around dams from which the water supply is sourced. 	<ul style="list-style-type: none"> The Australian Government will fund the trap yards, troughs and fencing. 	<ul style="list-style-type: none"> The community will monitor stock movements, build the trap yards and fencing, and maintain the dams. The community will establish a work team to supply labour to local pastoralists.

<p>21. Marta Marta SRA</p> <ul style="list-style-type: none"> To set up a business selling sorghum to nearby cattle stations and native shrubs to a local mining company. 	<ul style="list-style-type: none"> The Australian Government will fund the purchase of grain and seedlings, tools, and help with training. The Government will organise for power to be connected to the bore pump for irrigation. 	<ul style="list-style-type: none"> Indigenous Community Volunteers will provide advice and training on the venture. The community will participate in agricultural training, maintain the crops and shrubs, and look after the infrastructure and equipment. Income will be put back into the business and go towards providing community jobs.
<p>22. Punju Njama SRA</p> <ul style="list-style-type: none"> To start farming to supply the community with food and eventually sell produce. 	<ul style="list-style-type: none"> The Australian Government will provide funds for seedlings, tools and fencing and provide training in farming. 	<ul style="list-style-type: none"> Indigenous Community Volunteers will provide technical assistance and advice in sustainable farming techniques. The community will start growing its own food, and maintain all equipment and pumping systems.
<p>23. Youngaleena SRA</p> <ul style="list-style-type: none"> To provide a small but secure learning environment for community childrens' School of the Air program. 	<ul style="list-style-type: none"> The Australian Government will help purchase a transportable venue for the learning centre and buy equipment such as toys and books. 	<ul style="list-style-type: none"> The Gumula Aboriginal Corporation will help with installation of the learning centre. Parents will make sure their children attend the School of the Air.
<p>24. Wangkatjunga SRA</p> <ul style="list-style-type: none"> To redevelop a basketball court to provide sport and recreational opportunities for young people, construct shade cover for a playground, and renovate the Community Hall. 	<ul style="list-style-type: none"> The Australian Government will provide funds to upgrade the sporting facilities and restore the Community Hall. 	<ul style="list-style-type: none"> The community will help in redeveloping the sport and recreation facilities, and encourage young people to take part in healthy activities. The community will relocate a structure used for cultural activities to the community's cultural grounds.

<p>25. Ninga Mia SRA</p> <ul style="list-style-type: none"> To redevelop a basketball court to provide sport and recreational opportunities for young people. 	<ul style="list-style-type: none"> The Australian Government will fund the redevelopment of the basketball court and provide sporting and music equipment. 	<ul style="list-style-type: none"> The community will provide labour for the renovation, maintain the court and organise regular sporting competitions and youth activities. Families will support a 'no school, no play' policy.
<p>26. Mungullah SRA</p> <ul style="list-style-type: none"> To construct a Community Hall and redevelop a sporting oval. 	<ul style="list-style-type: none"> The Australian Government will fund planning and construction and provide ongoing funds for managing the hall. 	<ul style="list-style-type: none"> The community will provide labour through the local CDEP. The community will also enforce a 'no school, no play' policy for activities at the oval and hall. The community will undertake a range of activities to promote healthier lifestyles.
<p>27. Billiluna (1) SRA</p> <ul style="list-style-type: none"> To provide a resource/administration centre that will provide access to computing and other office resources, as well as a venue for meetings and gatherings. The centre will also be used by staff involved in the COAG trial. 	<ul style="list-style-type: none"> The Australian Government will fund the purchase and installation of most of the centre. 	<ul style="list-style-type: none"> A demountable building is being donated by traditional owners.
<p>28. Billiluna (2) SRA</p> <ul style="list-style-type: none"> To improve sporting and recreational activities for young people. 	<ul style="list-style-type: none"> The Australian Government will contribute to the cost of sports equipment and other activities. 	<ul style="list-style-type: none"> The community will organise three or four regular sporting activities a week for young people after school and on weekends for a period of three months.

<p>29. Mulan SRA</p> <ul style="list-style-type: none"> To provide fuel bowsers both for the convenience of the community and to cater for tourists. 	<ul style="list-style-type: none"> The Australian Government will fund the cost of the bowsers. 	<ul style="list-style-type: none"> Families will continue to ensure children shower and wash their faces on a daily basis and reduce rubbish around their homes. The intended outcome is that children in the community have a lower incidence of trachoma, secondary skin infection and worms. This is to be addressed through the hygiene and cleaning program, and pest eradication. The community corporation will work on ways to get rents paid on time, to fund better home maintenance and provide more regular waste removal and pest control.
<p>30. Kundat Djaru (Ringers Soak) SRA</p> <ul style="list-style-type: none"> To provide more structured activities for young people and increase youth involvement in community activities and schooling. 	<ul style="list-style-type: none"> The Australian Government will fund the purchase of equipment and supplies for youth camps. 	<ul style="list-style-type: none"> The community will organise one activity per week for young people. The community will purchase and contribute games and sporting equipment and maintain the equipment.
<p>31. Balgo SRA</p> <ul style="list-style-type: none"> To keep young people safe and busy by organising healthy activities after school and on the weekend. 	<ul style="list-style-type: none"> The Australian Government will provide equipment and supplies for local youth camps, and will repair the basketball court lights. 	<ul style="list-style-type: none"> The community will organise three activities a week. Families will ensure that young people in their care participate in the safe and healthy activities being organised.
<p>32. Yungngora SRA</p> <ul style="list-style-type: none"> To provide an ablutions block and laundromat for community use. 	<ul style="list-style-type: none"> The Australian Government will fund construction of the facilities. 	<ul style="list-style-type: none"> The community will provide labour to build the facilities, maintain the facilities and use income from the laundromat to employ a manager.

<p>33. Dampier Peninsula SRA</p> <ul style="list-style-type: none"> To build a bush museum to share the history of four communities' culture with visitors and to generate income. 	<ul style="list-style-type: none"> The Australian Government will provide funds to support the project. 	<ul style="list-style-type: none"> Each of the communities will create information displays for the museum and produce arts and crafts. The community will provide camping facilities for tourists.
<p>34. Kupartiya SRA</p> <ul style="list-style-type: none"> To redevelop a basketball court to provide sport and recreational opportunities for young people and to provide a venue for meetings and events. 	<ul style="list-style-type: none"> The Australian Government will provide funds to construct the basketball court and shade areas. 	<ul style="list-style-type: none"> The community will provide the labour to construct the court, and maintain and secure the facilities. Parents will organise competitions and act as coaches and referees.
<p>35. Bayulu SRA</p> <ul style="list-style-type: none"> To build a sense of community; and to help the women in the community by providing a child care facility and other programs. 	<ul style="list-style-type: none"> The Australian Government will fund the purchase of equipment and the renovation of premises for a day care facility, to provide a breakfast and lunch program, and for other women's programs. The local TAFE will train all Bayulu community committee staff. The Australian Government will fund the some of these activities. 	<ul style="list-style-type: none"> The community will organise activities including breakfast and lunch programs and recreational and cultural activities that will involve everyone in the community. The community will supervise activities and the use of community resources.
<p>36. Derby (1) SRA</p> <ul style="list-style-type: none"> To improve community safety by providing awareness sessions on violence, practical workshops through TAFE, and a campaign on local Indigenous radio. 	<ul style="list-style-type: none"> The Australian Government will fund the some of these activities. 	<ul style="list-style-type: none"> The community has agreed to come up with new ideas for building family and community safety in a culturally appropriate way. Families and individuals in the community have agreed to participate in activities.
<p>37. Derby (2) SRA</p> <ul style="list-style-type: none"> To assist the men with their family responsibilities in part by providing a coordinator to improve relations between local men and government service providers, police and courts. 	<ul style="list-style-type: none"> The Australian Government will fund the coordinator's position. 	<ul style="list-style-type: none"> The men in the community have committed to use the services provided at the centre, observe the centre's code of behaviour, respect property and take part in counselling sessions.

<p>38. Bidadanga SRA</p> <ul style="list-style-type: none"> To redevelop a basketball court to provide sport and recreational opportunities for young people. 	<ul style="list-style-type: none"> The Australian Government will provide funds to upgrade the local basketball courts. 	<ul style="list-style-type: none"> The community will run sporting programs and competitions and convert an existing community house into a youth activity centre. The community will also be responsible for the upgrade of the adjacent playground and will establish sheltered areas for community gatherings.
<p>South Australia</p>		
<p>39. Yalata Anangu SRA (1)</p> <ul style="list-style-type: none"> To build the confidence and leadership skills of the community's children by setting up a new scout troop and upgrading school facilities. 	<ul style="list-style-type: none"> The Australian Government is providing money for scout uniforms, equipment and travel. The South Australian Government is paying the scout leaders' salaries. Governments will fund new equipment and shade areas, and the painting of the school. 	<ul style="list-style-type: none"> Trainee scout leaders will be CDEP participants who will undertake accredited training in mentoring and leadership. Families and individuals will volunteer to run scout meetings and camping activities. A 'no school, no scouts' policy will apply and children who attend school for at least 85 per cent of the year will get to go to the National Scouting Jamboree. CDEP workers will assist with the refurbishment of the school and provide security. A community artist will help children to paint murals.
<p>40. Yalata Anangu SRA (2)</p> <ul style="list-style-type: none"> To improve community safety by providing a night patrol; and to provide a bus service to reach medical, legal or similar services at Ceduna. 	<ul style="list-style-type: none"> The Australian Government will fund the night patrol and a six-month trial of a bus service to Ceduna. SA police will train and support bus marshals. 	<ul style="list-style-type: none"> The community will provide CDEP workers and volunteers to staff a night patrol, bus drivers and marshals. Families and individuals will attend training on safer communities. The community will develop bus travel rules.

<p>41. Aroona SRA</p> <ul style="list-style-type: none"> To operate a community bus to get children to nutrition, exercise and personal development programs. 	<ul style="list-style-type: none"> The Australian Government will fund the bus for a 7 month trial. 	<ul style="list-style-type: none"> The community will make sure children catch the bus to the activities and elders will mentor and work with them to pass on their traditional culture. A project officer will work to update the community council's constitution and develop a community plan.
<p>42. Coober Pedy SRA</p> <ul style="list-style-type: none"> To provide appropriate shoes or uniforms so community children can attend science classes and otherwise improve school attendance. 	<ul style="list-style-type: none"> The Australian Government is purchasing enclosed shoes and uniforms, so children can safely take part in laboratory work. The South Australian Government is also working with the community to look at a different model for teaching science, to make it more interesting for the students. 	<ul style="list-style-type: none"> The community, families and individuals have agreed to a 'no school, no pool' policy. CDEP workers and volunteers will supervise at the pool and provide swimming classes where necessary. Parents will volunteer to be involved in the healthy eating programs and participate in school sporting activities such as swimming carnivals.
<p>43. Pipalyatjara SRA</p> <ul style="list-style-type: none"> To provide a mechanic to the community. 	<ul style="list-style-type: none"> The Australian Government will fund the upgrade of an existing unused mechanics workshop, purchase tools, develop a business plan to ensure the sustainability of the business, and employ a qualified mechanic to set it up. 	<ul style="list-style-type: none"> The community will provide administrative support, oversee management of the garage and provide workshop assistance and trainee mechanics. Community members will not pressure workshop staff to provide goods or services free of charge.

Queensland		
<p>44. Sarina SRA</p> <ul style="list-style-type: none"> To help young people find employment. 	<ul style="list-style-type: none"> The Australian and Queensland Governments, the local council and local businesses will develop an Economic Participation Strategy for young people with the community. 	<ul style="list-style-type: none"> The community will work with the other partners on the strategy.
<p>45. Mossman Gorge SRA</p> <ul style="list-style-type: none"> Providing a Business Manager to develop tourism opportunities for the community. 	<ul style="list-style-type: none"> The Australian and Queensland Governments will fund employment of the Business Manager and upgrade computer facilities in the community for financial management and administration. 	<ul style="list-style-type: none"> The community will work with the Business Manager to identify sustainable business opportunities and will undertake skills training.
<p>46. K'Gari (Fraser Island) SRA</p> <ul style="list-style-type: none"> To design and run an education and cultural program involving camps for young people. 	<ul style="list-style-type: none"> The Australian Government will provide funds including transport and resources for camping; and provide funds for a youth services officer. The Australian Government will upgrade the sewerage system. 	<ul style="list-style-type: none"> Elders will work with young people to teach them about their traditional lands and cultural practices. Cultural training will also be combined with career planning and mentoring.
<p>47. Woorabinda SRA</p> <ul style="list-style-type: none"> To develop a vision for their community focused on increasing the community member's participation in community and school events. 	<ul style="list-style-type: none"> The Australian Government will provide funds for a range of sport and recreation activities and upgrade related facilities. 	<ul style="list-style-type: none"> The community will run a range of sport and recreation activities for residents and implement a 'no school, no pool' policy to improve school attendance. Community members will also take part in developing a five-year plan and establish a management group to monitor and implement the plan.

<p>48. Innisfail SRA</p> <ul style="list-style-type: none"> To provide jobs for the community and in particular for its young people in a local tourist venture. 	<ul style="list-style-type: none"> The Australian Government will fund the construction of a cover over a performance area, and an upgrade of the surrounding cultural and performance facilities, and the purchase of lighting and sound equipment at the tourist venture. 	<ul style="list-style-type: none"> The community will employ a project manager to manage administration issues for the performers and to develop a broader employment strategy for the community. The community will identify young people to be performers, transport them to the venue, and provide cultural training.
<p>49. Girringun Aboriginal Corporation (GAC) SRA</p> <p>The GAC represents the land and sea interests of nine traditional owner groups in north Queensland.</p> <ul style="list-style-type: none"> To enable GAC members to work more actively with governments to improve service delivery by building members personal capacity and establishing a Project Steering Committee and a Negotiating Table for engagement. 	<ul style="list-style-type: none"> The Australian and Queensland governments will provide representation on Negotiating Table and the Project Steering Committee; provide necessary support to capacity building needs of GAC and Government employees; and explore options for funding the needs identified by the GAC's planning processes. 	<ul style="list-style-type: none"> GAC to devise project ideas with Project Steering Committee and present these to the Negotiating Table. GAC members to build capacity by attending training. GAC to develop engagement strategy at clan group level; and develop an 'Indigenous Brokerage Model for SRAs.
<p>50. Doomadgee SRA</p> <ul style="list-style-type: none"> To redevelop a community centre for women. 	<ul style="list-style-type: none"> The Australian Government will provide funds to complete and fit out the centre and provide CDEP places to help with the labour. 	<ul style="list-style-type: none"> Local Indigenous women will promote the centre as a community resource, and ensure it is treated with respect. The community will provide labour to set up the centre and will work with local women to develop activities and business opportunities that can be run from the centre.

New South Wales		
<p>51. Wreck Bay Aboriginal Community Council SRA</p> <ul style="list-style-type: none"> To improve the quality of the 42 houses it rents to local residents. 	<ul style="list-style-type: none"> The Australian Government will fund a survey of housing need, and do minor housing upgrades for tenants who agree to pay rents. The Australian Government will fund the employment of a Community Development Officer to consult with tenants and develop a fair rental collection program. 	<ul style="list-style-type: none"> The Council will implement a Housing Management Plan. The community will ensure tenancy agreements are in place for all rental houses and maintain houses in a good condition and report maintenance issues promptly.
<p>52. Wellington SRA</p> <ul style="list-style-type: none"> To promote local family and youth services at a harmony day event. To develop a community plan with the help of a consultant. 	<ul style="list-style-type: none"> The Australian Government will fund the harmony day event and the employment of a consultant. Government agencies at all levels will take part in the harmony day by promoting their services. The Wellington Shire Council will support the harmony day event by providing free use of a venue. 	<ul style="list-style-type: none"> The Community Working Party will organise the concert and harmony day and employ the consultant. Local people will take part in the concert and harmony day activities and help to develop a community plan.
<p>53. Boggabilla/Toomelah SRA</p> <ul style="list-style-type: none"> To provide better access to health services and more recreational activities for their young people by providing a regular bus service between the two communities and the regional service centre across the Queensland border in Goondiwindi. 	<ul style="list-style-type: none"> The Australian Government will provide funds to start the bus service. It will also fund two Recreation Liaison Officers for each community to help young people connect with activities in Goondiwindi. The New South Wales Government will provide administrative resources. It will also examine the viability of a public bus service on this route. 	<ul style="list-style-type: none"> The Winangali Aboriginal Corporation will provide the community bus, ensure it is serviced and maintained, and consult on a timetable, route and travel rules. The community will establish bus fares and rules of conduct, and support the bus drivers' enforcement of these. The local CDEP will provide the drivers.

<p>54. Coledale SRA</p> <ul style="list-style-type: none"> To upgrade the Coledale Community Centre and employ a youth worker to develop activities for young people. 	<ul style="list-style-type: none"> The Australian Government will fund the upgrade of the Community Centre, provide wages for the youth worker, and provide an adviser to help with community planning. 	<ul style="list-style-type: none"> The community will provide labour for the upgrade of the centre. Elders and adults will assist the youth worker. Some community members will also undertake governance training to learn the skills to develop a Coledale Community Plan.
<p>55. Malabugilmah SRA</p> <ul style="list-style-type: none"> To repair and upgrade the wastewater treatment system to allow the reuse of the community's waste water to irrigate a sporting oval and to prevent the pollution of a local river in which children swim and which is upstream from other communities. 	<ul style="list-style-type: none"> The Australian and New South Wales Governments will provide funds. The Australian Government will fund necessary training and ensure enough CDEP positions are available. The NSW Government will provide sporting equipment and a Sport and Recreation Coordinator. Clarence Valley Council will help with maintenance of community facilities and develop a community asset management plan. Southern Cross University will allow use of a water-sampling laboratory at reduced rates 	<ul style="list-style-type: none"> The community will provide labour and undertake training to help with the works. The community will continue the clean up of community areas, and hold regular sporting and social activities on the oval.
<p>56. Muswellbrook SRA</p> <ul style="list-style-type: none"> Hot Wheels is a venture being set up to provide young people with driver training and gaining drivers licences, and teach mechanical skills so they can fix up and use second-hand vehicles to get into local jobs. 	<ul style="list-style-type: none"> Australian Government will provide a youth services officer to link young people to mainstream employment services. The Police Citizens Youth Club will contribute a part-time youth officer to support Hot Wheels. The local TAFE will offer career counselling and mechanical training. 	<ul style="list-style-type: none"> The local community will nominate young people for Hot Wheels. To get into Hot Wheels, the young people need to commit to 'no alcohol, no drugs' while they are participating and repay any traffic fines they might accrue. On completion, they could become mentors for new participants.

<p>57. Barkuma SRA</p> <ul style="list-style-type: none"> To repair and upgrade the community meeting and services centre and help it to provide better services for families in distress and other programs. 	<ul style="list-style-type: none"> The Australian Government will fund the refurbishment and ensure a CDEP position is available for administrative support in the centre. 	<ul style="list-style-type: none"> The community will continue fund-raising to help with costs and develop more activities to help local families.
<p>58. Moama SRA</p> <ul style="list-style-type: none"> To develop a community plan to improve family well-being and safety. 	<ul style="list-style-type: none"> The Australian Government will assist the community develop the plan and employ a families liaison officer. 	<ul style="list-style-type: none"> The community will hold events to help build stronger family relationships and promote responsible behaviour. Families and individuals will participate and be involved in directing the efforts of the family's liaison officer.
<p>59. Narrandera SRA</p> <ul style="list-style-type: none"> To improve school retention rates, and give young people work-related skills by building a motor vehicle to participate in a local car race. Years 11 and 12 students will also get lessons on driving skills to help them obtain their driving licences and progress to advanced driving qualifications. 	<ul style="list-style-type: none"> The Australian Government will provide funding for the project and for a youth services officer to connect the participants to mainstream employment and training services. NSW Police will coordinate the motor-vehicle building project and driver training. The local TAFE will provide a mechanics teacher. 	<ul style="list-style-type: none"> The community will ensure school attendance through working with a home-school liaison officer. The community will identify work opportunities and resources for young people. To participate, young people must attend school and also commit to 'no drugs, no alcohol' and repaying their fines. They agree to use their new skills for community benefit such as driving a night patrol bus or taking other children to sport and recreational activities.

<p>60. Tumut SRA</p> <ul style="list-style-type: none"> To provide a culture and heritage project to showcase the community's history and culture. 	<ul style="list-style-type: none"> The Australian Government will fund the completion of the project. The NSW Government will provide training and employment programs for the community's young people, particularly in the local forest industry, and donate native trees to the project. 	<ul style="list-style-type: none"> The community will work with the local school to improve attendance rates. CDEP activities will be changed to reflect the needs of the project. The community will engage in cultural activities such as learning Wiradjuri language. Community members will plant trees in the park and assist with its maintenance and security.
<p>61. Bourke (1) SRA</p> <ul style="list-style-type: none"> To make education more relevant to children and to encourage better school attendance. 	<ul style="list-style-type: none"> The Australian and NSW Governments will work with the community to develop new ways of keeping children at school to improve educational outcomes. 	<ul style="list-style-type: none"> The community will mentor young people to stay in school and work with families to ensure attendance.
<p>62. Bourke (2) SRA</p> <ul style="list-style-type: none"> To make the town a safer place at night by providing a night patrol. 	<ul style="list-style-type: none"> The NSW Government will provide accredited training for staff on the night patrol and, with the local council, will also help with operational costs. 	<ul style="list-style-type: none"> The community will provide staff to be trained and run the night patrol. The local CDEP will also run a family violence workshop and liaise regularly with the police and courts.
<p>63. Brewarrina SRA</p> <ul style="list-style-type: none"> To empower local Aboriginal women and improve the community's general safety and well-being, including through running the school canteen. 	<ul style="list-style-type: none"> The Australian and New South Wales Governments will provide capital and start up costs, funding equipment, providing training through TAFE, and providing free rent and electricity for three months for the school canteen. 	<ul style="list-style-type: none"> The community will rent premises for a women's centre where home wares, arts and crafts will be produced. The women will also train to operate and run the school canteen, to provide healthy food to the children.

<p>64. Enngonia SRA</p> <ul style="list-style-type: none"> The nearest secondary school to Enngonia is 200 kilometres away, requiring students to travel if they want further education. This SRA enables students in Years 7-10 to participate in a distance education program. 	<ul style="list-style-type: none"> The Australian Government will fund, among other things, an Aboriginal teacher's aide for the project and bus trips for joint school days with Bourke High School. The NSW Government will provide wages and on costs for a casual teacher based in Enngonia for students in Years 7-10 as well as desks, sporting and electronic equipment, and monitor test results. 	<ul style="list-style-type: none"> The community will encourage school-aged children to participate in the program. The local CDEP will maintain the premises and CDEP participants will also deliver cultural programs and other activities.
<p>65. Murdi Paaki SRA</p> <ul style="list-style-type: none"> To install evaporative cooling units to houses in some communities. 	<ul style="list-style-type: none"> The Australian Government will provide funding for the units and, where applicable, arrange CDEP participants to assist in their fabrication, installation and maintenance. The New South Wales Government will administer the funds and give technical support. It will also ensure regular maintenance of the units and arrange training for existing Healthy Housing Workers. 	<ul style="list-style-type: none"> Installation of the units will be dependant on some communities in the region developing their own SRA for the project. The Murdi Paaki Regional Housing Corporation will employ a coordinator to oversee the program. It will also create tenancy agreements in communities where they do not exist, and renegotiate rents to cover maintenance costs. Two or three members of each community will monitor the installation and maintenance of the units.
<p>66. Murdi Paaki Regional Council SRA</p> <ul style="list-style-type: none"> To provide computers and secretariat support to the Community Working Parties during the COAG trial. 	<ul style="list-style-type: none"> The Australian Government is funding the purchase of the computers and equipment and the training of CDEP participants to provide admin support. 	<ul style="list-style-type: none"> The Council will give ownership of the computers and equipment to a suitable organisation and maintain the computers and other equipment when necessary.

Tasmania		
<p>67. Cape Barren Island SRA</p> <ul style="list-style-type: none"> To enhance community cohesion and wellbeing by providing a Community Wellbeing Centre. 	<ul style="list-style-type: none"> The Australian Government will provide funds to build and fit out the centre and provide training for staff. The Tasmanian Government will work with people on the island to establish guidelines around community safety. 	<ul style="list-style-type: none"> The community will contribute to the cost, amenities and building of the centre, and will develop, deliver, participate in and support the programs, including a meals program, children's program and men's and women's groups.
